

[ Intervention Name ]

Research Lead: [ Researcher Name ]

Engineering Lead: [ Engineer Name ]

Data Analyst Lead: [ Analyst Name ]

# Background

- NOTE: bullets below are suggested topics
- causes of death/disability addressed by the intervention
- risks or intermediate health
- Information about the locations at which the intervention will be applied

# About the Intervention

- NOTE: bullets below are suggested topics
- Current Coverage
- High-Level Mechanism (how it affects health outcomes)
- How it might be implemented

# Proposed Model

- NOTE: this is a good place for the concept model diagram

# Proposed Model

- NOTE: this slide is a suggestion. bullets below are suggested topics.
- Descriptions
  - Cohort
  - Years of prediction
- Major decisions

# Current Results

- NOTE: this is a good place for output visualizations

# Limitations

- NOTE: this slide is a suggestion. bullets below are suggested topics.
- Data Issues

# Requested Feedback

- NOTE: this is a good place to prompt the team for help with remaining sticking points or other suggestions

Thank You
